PROCEDURES FOR PROVIDING PUBLIC COMMENT

The Board of Directors of Cypress Creek Utility District has adopted the following procedures for providing public comment to the Board during Board of Directors meetings. Members of the public are encouraged to participate in the Public Comments portion of the meeting. However, in order that District business may be conducted efficiently, the following rules are in effect:

All members of the public wishing to address the Board must register with the District Secretary on a sign-in sheet prior to the posted starting time of the meeting.

Individuals shall identify themselves by name, organization represented, residency in the District, etc., and the topic they wish to discuss. Presentations and comments shall remain pertinent to the issues denoted on the registration sheet.

Each speaker is limited to no more than two minutes. A speaker may not assign a portion of his or her allotted presentation time to another speaker.

The Board will recognize only one speaker per topic. Groups of individuals with the same or similar concerns are encouraged to designate a spokesperson to address the Board. If several persons have registered to address the Board on the same topic, it shall be within the discretion of the Board President to request that those persons select a representative amongst themselves to express such comments, or limit their comments to an expression of support for views previously articulated.

A speaker who is determined by the Board to be disrupting a meeting shall immediately cease the disruptive activity or leave the meeting room if requested to do so by the Board.

A member of the Board of Directors may comment publicly on matters brought to their attention during the Public Comment portion of the agenda. Such public comments shall be confined to stating a factual matter, reciting existing policy or a request that a matter be placed on a future meeting agenda. Such public comment shall not include any "deliberation" as defined by Chapter 551 of the Texas Government Code.
